Faculty of Science, Engineering and Built Environment

School of IT

**A Survey on the Performance of
State-of-the-Art Machine Learning Methods
on Out-of-Distribution Data**

Supervisor: Prof. Gleb Beliakov and A/Prof. Simon James

Student Name: Bao Minh Tran

Student ID: s224236373

Email: s224236373@deakin.edu.au

November 12th, 2025

Abstract

1 Introduction

2 Experimental Setup
